Any limitations regarding the age of competitors who can enter events are not the responsibility of WBCCL and it shall be deemed 'force majeure' if contenders are unable to get entries on these rounds.

DATE CHANGES- if an event is re-scheduled then it will remain in the championship unless it clashes with another round, in which case the event first scheduled for that date only will count. In case of the above occurring, the Co-ordinator will endeavour to notify contenders at the earliest convenient opportunity.

(**NB:** Check with Co-ordinator about registration after rounds up to and including Round 5).

- **To be awarded points, competitors **MUST** state WBCC as named club on entry forms. Failure to adhere to the above 2 points will result in a no score for any competitor.

Contenders are advised that the scrutineer may inspect at any time the eligibility of any vehicle; it is therefore the responsibility of the contender that any vehicle sealed, as a result of checks, must present that vehicle with seals intact. Any contender found to have a vehicle that is non-compliant will forfeit points gained to that time. All costs incurred are the responsibility of the contender.

The cutting of tyres is not permitted. Only "E" marked tyres are permitted. "In accordance with L6, permission is granted for competitors to use Yokohama AO21 tyres manufactured before 1st November 2014, which is shown on the sidewall as 4314. Tyres manufactured after this date or with an ineligible manufacturing date are prohibited."

Class Eligibility – If any contender is unsure about the correct class to enter, they should contact the Championship Co-ordinator before completing the registration form. Any contender found to have entered the incorrect class will forfeit points gained to that time. All costs incurred are the responsibility of the contender.

ELIGIBLE VEHICLES– All vehicles must comply with Motorsport UK Regulations R18 to R18.6.5

8) Results

The final championship positions will be issued to registered contenders within 21 days **of the final results from the last event** being received. Contenders will then have a period of 14 days in which to query their scores. After this period has elapsed the results will be deemed final and no further dialogue entered into.
